## WILSON WEDDING ENLIVENS CAPITAL

**Ceremony Adds to Social Gayety Horse Show Always Produces.**

[From The Tribune Bureau.]

Washington, May 9.—Predictions of a brilliant social week in Washington were more than fulfilled, both the White House wedding this week and the horse show teeming with interest, while the Colonial Dames, the Needlework Guild of America and other organizations lent interest to entertainments for charity there was enough and to spare, while the inevitable dancette, supper dance and just past tango parties, small and informal dinner parties and overgrown buffet luncheons each held their particular place.

Now there are rumors of White House garden parties to replace the series of musicals, cut short by the illness of Mr. Wilson; the usual annual tea for the Children's Country Home, and afternoon teas with garden effect, wherever a hostess can boast a plot of green and a few flowers.

Mr. and Mrs. Reynolds Hitt's dinner dance at the County Club, the musical at the home of Mr. and Mrs. John Barlett Moore, another of the long series of dinner parties being entertained by the commandant of the Marine Corps and Mr. George Barnett, and similar parties, and the unusually large number of dinner dance parties at the Chevy Chase Club brought the week to a successful close.

The promptness with which the announcements of the wedding of Miss Eleanor Wilson and Mr. McAdoo were sent out did worlds of credit to Warren S. Young, through whose hands have passed not only the announcements of the last three White House weddings, but of hundreds of the most important events.

THE RIVALRY OF

# Nemo WEEK

IS IN SERVICE - NOT CUT PRICES

**THE WISE WOMAN** profits from Nemo Week by paying FAIR REGULAR PRICES for standard high-class Nemo Corsets that are always DOUBLE VALUE as corset-values go.

She selects from complete fresh stocks of all the newest Nemo inventions and the old Nemo favorites as well. She is sure to get a model that will give her a fashionable shape—which, this year, is more important than a fashionable gown.

She secures the assistance and advice of capable corsetiers, who vie with each other to give her the best possible Nemo Corset Service. This insures STYLE and COMFORT.

In other words, she gets GENUINE CORSET-SATISFACTION while preserving her health and guarding her purse.

**REMINDER**—"Cut price" corset sales are dangerous this year. Futility attempts to make you believe that the natural figure and unworkable corsets which are being unloaded at whatever prices they will bring—BE A WISE WOMAN!

**If You Think All Nemos Are \$3 For Stout Figures See No. 303**

Lastikops "Easy-Front" Corset was introduced last January. We haven't advertised it much—the demand has been greater than our output. Now we're making them in hundreds of dozens, and we want you to know about them.

**No. 303** Very low bust, almost topless, but retaining the Nemo "dig in" construction—this corset doesn't "dig in." Wide gorges of semi-elastic Lastikops Cloth cover nearly the entire gastric region, producing extreme flexibility, freedom of breathing and the natural figure. The skirt is very long and flexible. Of fine white Streetex fabric. Lightly boned. Sizes 19 to 26. (No. 304 is same. \$3.00 but with slightly higher bust.)

This is the greatest corset, for slender to medium figures, ever offered at the price. It's a BIG \$5.00 VALUE.

All imitations, using the old ordinary elastic, are comparatively valueless. INVESTIGATE "EASY-FRONT!"

**KOPSERVICE CORSETS—\$5.00**  
**LASTIKOPS CORSETS—\$3.00 up**  
**SELF-REDUCING CORSETS—\$3.00 up**

The only standardized line of corsets in existence, from which every figure can be fitted with correct style, comfort and hygienic safety.
